Our Dental Savings Plan is not an insurance plan. It has been designed to provide a way for our patients to obtain the dental care they need at the most affordable rate.

The savings plan:

- Is standalone coverage not to be combined with insurance benefits,
- Is only valid at our Palatine, IL location,
- Cannot be used for treatment with another dentist or specialist to whom we refer,
- If periodontal infection is present, a periodontal treatment may be required at an additional cost.
